

COLLEGE OF DENTAL TECHNICIANS OF BC

CONTINUING EDUCATION - APPROVED COURSES

- The College can only advise registrants of courses about which sponsors and/or attendees applying for credit have made us aware.
- If registrants know of any courses that may qualify as an approved CE course and wish to share the information with other registrants, please advise the College.
- This is the most current listing; contact the College for information on past courses.
- Credit hours below are technical unless designated NT (non-technical) or IC (infection control).
